SIR M VISVESVARAYA B A , K C I E ,

Dewan of Mysore,

Bangalore

S i r,

We the Trustees to B. K. Mariyappa's Charities, respectfully beg leave to lay the following facts for the favourable consideration and orders of Government.

2. Mr. B. K. Mariyappa, a Mysorean and a Nagartha Lingayat - by caste, left by his Last W I L L all his properties worth about a lakh & half rupees for charitable purposes subject to - the payment pf Rs 60/- (since increased to Rs. 100/- by compromise as per Decree of the District Judge of Bangalore) plus -- interest on Rs. 5000/- to his widow his only heir. The properties consist of houses, landed estates, bonds & deposits in -- the Government Savings Bank, the Bank of Madras & the Bank of Mysore Ltd.

3. Efforts are being made to collect the monies due to the late Mr. B. K. Mariyappa with as little necessary cost as possible and a sum of Rs. 15,000/- has aleady been deposited in the Government Savings Bank, Bangalore District in the name of Mr. H. Ramaiya, the Managing Trustee of the Charities, Also a sum of Rs. 9000/- which was already deposited & available in that Bank

4 During the life time of the late Mr B.K Mariyappa, the gentleman was conducting charities himself-- providing for free boarding for deserving students-- (Brahmins, Lingayats & other non-Brahmins) quite unostentatiously and was in some cases helping them with school fees & books.

5 His main desire was to give a permanancy to his long cherished intention by handing over the entire assets to a res-

pectable body of public spirited & godfearing citizens of Bangalore, who, while scrupulously adhering to his wishes are sincerely desirous of so discharging their functions as to enhance the utility and scope of the said Charities

6. Consistent with his desire, he has made provision for putting up a building at a cost of about Rs 15,000/- in a central locality in this City, to be used as a free boarding and lodging house by 45 or 50 deserving students of all Hindu communities (Brahmins, Lingayats & other non-Brahmins)

7. We have been anxiously on the look-out for a suitable site in a convenient locality for constructing at a very early date, the proposed free boarding and lodging house for students and to start the charitable work entrusted to us with as little delay as possible. It is also the earnest wish of all of us that this free boarding institution should be conducted on up-to-date and typical lines, making this a model permanent charitable institution. With this end in view, we respectfully approach Government with the request that in view of the really charitable nature of the undertaking, the Government may be graciously pleased to order the free grant of a land measurting about 3 acres in any of the undermentioned localities for putting up a suitable building with playground attached to it for students.

(1) Site opposite the City Institute on one side & the Vokkaligara Sangha on the other

(2) Sites on either side of the Hardinge road near the Fort wall which is being dismantled.

(3) Site on the Albert Victor road to the East of the late Mr. Narahari Rao's bungalow

(4) The portion of the mango tope on the 3rd road Chamarajendrapet adjoining the site granted to the Sri Sivaganga Mutt Hostel &

(5) Land to the North of the site granted to the Sri Mutaradi Mutt Temple to the West of the Fort Centre road & East of the Hardinge road.

8. We beg to assure Government that the sacred duty entrusted to us by this philanthropic gentleman will be discharged in a manner worthy of the gracious recognition that may be shown by the benign Government of His Highness the Maharaja of Mysore not only by granting one of the sites asked for but in many other ways.

We beg to remain

Encl to Memo 163-75-6

Letter dated the 19th January 1916 from Mr. H Ramiah, Managing Trustee of the late Mr B K Mariappa's Charities, to the Honorary President, City Municipal Council, Bangalore.

I learn that it is under contemplation to allot one of the sites intended for the hostels of different communities on the Seshadri Road for the Mariyappa's Free Boarding and Lodging house which is to be constructed for the use of 50 deserving students of all Hindu communities, instead of any one of the sites proposed by the Trustees to the Mariyappa's Charities in their letter No.113 dated 1st December 1915

2 Of the six Trustees, except my humble self, the rest cannot, in fairness to the business they are engaged in, be expected to devote the necessary time and attention to the affairs of this charitable Institution-more especially when the site is very far away from their business place or quarters

3. If the Institution is at all to be a useful and permanent one, its affairs should be carefully and constantly supervised by the management To enable this being done satisfactorily, I as the Managing Trustee of the Charities request the favour of your kindly adding to the said Charities by recommending the grant of at least four cottage sites in the mango tope opposite the Sree Rameswara Temple on the 3rd Road, Chamarajendrapett, instead of three acres originally applied for by the Trustees The Managing Trustee will then be able to pay constant attention both in the construction of the building and the management of this charitable Institution thereafter

4 I may be permitted to add that as the hostels proposed to be built for others on the Seshadri Road are to be under the management of the communities concerned, it may be possible to find sufficient number of gentlemen to manage the same, but as

Encl to Memo 163-15-8

Application dated 1st March 1916 from Dr M. Ramaiya, Managing Trustee, Mariappa's Charities, Cubbonpet, Bangalore, to the Honorary President, City Municipal Council, Bangalore.

"In forwarding herewith copy of letter No 1253,A.1. 163-15-7 dated the 25th February 1916 from the Secretary to Government, Revenue Department, stating that if the Trustees of the late Dr E.K. Mariappa's Charities are prepared to pay the cost of acquisition of a plot of ground in the mango tope opposite Sri Rameswara Temple Bangalore, equivalent to two cottage sites, orders will be issued for the acquisition of the same, I have the honor to state that as separate accomodation has to be provided for the free boarding and lodging for so many as 50 fifty students of different communities, the allotment of two cottage sites measuring about 100 200' is hardly sufficient, if the building is to be constructed and maintained on sanitary principles

I therefore request you to be so good as to recommend the grant of at least four (4) cottage sites in the said mango tope, as already requested in my letter No. 115 of the 19th January 1916 "
